

Get Connected To Pennsylvania County Leaders...

Associate Membership Program

Access...

The County Commissioners Association of Pennsylvania (CCAP) represents all of Pennsylvania's 67 counties and the county commissioners, council members, county executives, administrators, chief clerks and solicitors who operate them. Associate membership in CCAP is your connection.

Associate membership with CCAP gets your foot in the door with county decision makers.

Associate members receive a free directory listing every county commissioner, council member, county executive, administrator, chief clerk and solicitor in Pennsylvania. It is available to you on paper or in an electronic format for your convenience.

Associate members also get special discounts on conference and exhibitor registration fees and full access to every CCAP conference. Associate members can mingle informally or fully participate in the workshop discussions.

Opportunity...

Active associate members of CCAP keep county leaders informed about the products and services available to them, and county officials know where to look when they are ready to make a purchase. CCAP lists every associate member in its

interactive *Courthouse Connection*, an on-line directory of companies who do business with counties. The *Courthouse Connection* is also published annually in paper format.

Associate members also receive discounts on advertising in *Pennsylvania County News*, CCAP's premiere publication, putting the name of your company in front of 1,500+ readers.

Information...

And, the CCAP Annual Conference features an outstanding trade show. Associate members receive a discount on booth registration fees.

CCAP Associate Members receive free subscriptions to *Pennsylvania County News*, the *Legislative Bulletin*, and the *Clipboard*. These publications help associate members stay on top of what is going on in Pennsylvania's counties.

Advertise!

The *Pennsylvania County News* magazine is the premiere publication of the County Commissioners Association of Pennsylvania. The *News* serves as a mouthpiece for county and local government issues and provides education and information about counties to its 1,500+ readers.

County leaders have come to trust the *Pennsylvania County News* for the most up-to-date information about issues and ideas. Advertising in the magazine puts the name of companies who do, or want to do, business with counties directly in front of those county decision makers.

***Pennsylvania County News* is the only magazine for and about Pennsylvania's county government leaders.**

Pennsylvania County News puts a spotlight on the issues and challenges county leaders are facing right now. County leaders turn to the *News* for solutions.

Get your name on the list!

CCAP lists every associate member in its interactive *Courthouse Connection*, an on-line directory of companies who do business with counties. The *Courthouse Connection* is also published annually in paper format. This "members only" directory is a great resource for county decision makers.

Every associate member is listed by company name with contact information, but you can make your organization stand out with an ad. Upgrade your listing for a special price, just like in the yellow pages of your local telephone directory.

Be a conference sponsor!

CCAP hosts several conferences and special events each year. In becoming a conference sponsor you can get your company logo or the name of your firm in front of county officials everywhere throughout the conference - registration, general sessions, coffee breaks, receptions, in the program and more.

CCAP offers the following sponsorship levels: blue ribbon (\$5,000), red ribbon (\$2,500), white ribbon (\$1,000) and patron sponsors (\$500) at each conference. Each one offers a different level of exposure to the conference attendees including a company logo on signs everywhere throughout the conference, company logos displayed on the "big screen" before each general session or group event, an ad in the program and other special recognition.

Join the Tech Net!

Does your company specialize in high tech products and services? CCAP's TechNet program takes your associate membership one step further by putting you in direct contact with key technology decision makers - county IT directors.

TechNet members may participate at one of two tiered levels with varying benefits of membership according to the participation level. All active TechNet members receive a director of county IT directors and contact information. Some participants are entitled to present at an IT directors quarterly meeting, CCAP workshop or webinar and to be included in an interactive discussion board with county IT directors.

Note: The acceptance of any vendor as an associate member shall not constitute an endorsement by CCAP of any service or product provided by the vendor. The Board of Directors of CCAP reserves the right, for cause shown, to disapprove an application, or terminate an existing associate membership. In no case shall an associate member use the name of CCAP, or the CCAP logo, in any promotion to any county or other individual entity, except to the extent the vendor is concurrently involved in a cosponsorship program agreement with CCAP and holds a signed agreement form indicating such permission for use. In addition, due to the increased need to assure privacy and security of our membership data, we ask that all group distributions using the directory be done using the blind carbon copy (bcc) as opposed to the "to" or carbon copy (cc) options in your email system. By submitting your associate membership application, you indicate that you have read and agree to these statements.
