**Note 1.** The registration counts **exclude** vehicles that are exempted from fees where this can be identified by indicators on PennDOT’s vehicle database; those vehicles that can’t be identified are not excluded. Vehicles are exempted by the following Sections of Title 75:

- Title 75 Section 1901(a), 1901(b) and 1901(c) – **Exemption of persons, entities and vehicles from fees.**
- Title 75 Section 1302 – **Vehicles exempt from registration.**
- Title 75 Section 1335(c) - **Registration plates for manufacturers and dealers.**

(Refer to the specific Sections for all exemptions.)

See **Attachment A** below for a list of vehicles that can be identified.

**Note 2.** There is no way to determine all exempt vehicles from the vehicle data base; for example, special organizations such as the boy scouts must re-certify each year that their vehicles are exempt.

**Note 3.** The registration counts represent the vehicles on the Department vehicle registration system at a specific time (in this case December 20, 2017). This data changes daily as people purchase and sell vehicles, and as they move from one address to another.
