The CCAP Annual Conference is currently scheduled to be held as an in-person meeting event. The CCAP staff is constantly monitoring the pandemic situation, social distancing guidelines and meeting facility operations and will immediately inform both registered and potential attendees and exhibitors if a decision is made to hold the Conference in a different format. Our intent is to present the Annual Conference in a manner that ensures the safety of our attendees, CCAP staff and conference facility employees while still delivering the education, speakers, networking and exhibit opportunities that are hallmarks of our Conference.
