Through ABM's Bundled Energy Solutions program, our experts reassess your budget strategies and develop a custom solution designed around your specific needs. This allows you to complete much-needed building infrastructure improvements, such as upgrades to mechanical and electrical systems. The completed improvements will help to reduce unnecessary energy consumption and maintenance requirements, and the resulting savings are guaranteed. The improvements are completed immediately, and the guaranteed savings are used to pay for them over time. We've helped many counties across Pennsylvania and the United States improve their systems and save money. Let's do the same for your community.

Manufacturing and production of veteran, firefighter and other service aluminum grave makers/flag holders. We are located in Lancaster County, Pennsylvania, serving 90 percent of the counties in PA. We take great pride in producing a "made in the U.S.A." product. We have our own in-house foundry that allows us to keep costs at a minimum to continue assisting our veterans and service man and women. A donation is made to the PA Wounded Warriors (Helan Sajer) which has only a five percent administrative fee, which means that 95 percent of this organization's money goes to veterans in need.
