Verification of Attendance

The Academy for Excellence in County Government Committee applauds your commitment to the program, its policies and your colleagues. To promote maximum learning amongst attendees, full attendance at each workshop or breakout session is expected and required. Please note the Academy is a learning community in which being on time, not leaving prematurely and participating fully are crucial to the dynamics of the learning process. Commitment to the process of creating a community for inquiry, receptivity and discussion should be respected. Thank you for your cooperation and understanding of this attendance policy.
