

You're invited to the virtual watch party for the 2020 CCAP Virtual Annual Conference!

August 17-18, 2020

CCAP is happy to invite you to attend the virtual watch party for the 2020 CCAP Virtual A.C.! Registration is **FREE** this year, so we encourage you to invite county staff that typically are unable to attend. Each attendee must register individually, since the links to participate in the Conference will be sent directly to each registrant and you will be eligible for virtual prize drawings! Be sure to register, gather staff together, practice safe social distancing measures, have fun and **TURN UP THE A.C.!**
