- If the two badges have already been issued to two registered booth personnel, and additional exhibitors want to exhibit, they must pay the following to get a new badge:
 - \$575 per person (associate member, full Conference),
 - \$410 per person (associate member, Sunday and Monday only),
 - \$655 per person (non-associate, full Conference),
 - \$510 per person (non-associate, Sunday and Monday only),
 - \$455 per person (state agency, full Conference),
 - \$310 per person (state agency, Sunday and Monday only).
- Exhibitors who return their original name badge to the registration desk asking for a different exhibitor to attend in their place on the second day of the Conference, may be reissued a name badge. The original badge must be turned in to create a new badge.
- Vendors will receive notice of this policy in Conference registration materials and confirmations.
- No refunds will be issued after July 25, 2025. All no-shows will be billed.
