¹Includes reported collections by county, vehicle sales by county of registration, and miscellaneous collections. Miscellaneous collections include LCB (\$141.4M), out of state vehicle sales (\$2.26M), and other out of state, unallocated, and separately remitted use tax collections (\$3.9B), and for the purposes of this analysis are prorated based on relative county and vehicle collections.

²Statewide amount for the County Property Tax Relief Act, omitting Allegheny and Philadelphia counties which are not authorized the new levy.

³The commonwealth sales tax collections data for Allegheny and Philadelphia counties do not represent collections from sales subject to local sales and use tax.

Neither county would be authorized the new tax so distribution data is for illustrative purposes only, and no reduction is shown since offsets are already taken under other law.

⁴Taxable income for EIT purposes is estimated based on data provided by the Department of Revenue regarding taxable income, at 88% of the total taxable income for PIT purposes based on historical data.

⁵Estimates for the numbers and assessed values of homestead properties by county were calculated by the IFO based in large part on a survey of county assessment offices.
