## Opioid Settlement Funds in Practice Webinar

Pennsylvania counties are navigating important decisions around the use of opioid settlement funds, often facing similar questions about effective strategies and available support.

The Institute for Research, Education and Training in Addiction (IRETA) will conduct a webinar titled [Opioid Settlement Funds in Practice: Lessons from Other States for Pennsylvania Counties](#) on **Wednesday, May 6, 2026**, from 12:00 -1:30 pm.

The webinar will provide valuable insight into how funds are being implemented both within the state and across the country. Featuring national and state perspectives, this session will share best practices, real-world examples, and resources to support informed decision-making.

For additional details about the webinar and to register visit the IRETA website via the link below.

## Rural Community Action Assembly: Planning for Data Center Development

Data centers are rapidly expanding into rural areas across the country.

Join the upcoming [Rural Community Action Assembly](#) webinar on May 11, 2026, from 2:00

to 3:30 pm to explore what this trend could mean for rural economies and how communities can prepare.

This session will feature real-world insights from Loudoun County, Virginia—a national leader in data center development—along with

discussion on workforce needs, economic impacts, and regional competitiveness.

The webinar will provide practical perspectives and forward-looking guidance to help rural communities plan for and respond to potential digital infrastructure growth.
